The Conestoga PTO would like to thank those of you that returned address labels and donations and helped make this event a success. We already exceeded \$11,000 and hope to reach our goal of \$15,000! It's not too late to send in your personal donations. This is our only fundraiser and the money raised will be used to purchase technology for classrooms, help maintain and grow the Conestoga Digger's Discovery Garden, as well as fund assemblies & buses for class trips.

Every dollar will enhance the education of our students and help enrich their lives!
